TO THE
RIGHT HONOURABLE
JOHN CAMPBELL,
EARL OF BREADALBANE AND HOLLAND,
DEPUTY-GOVERNOR OF THE BRITISH SOCIETY
FOR EXTENDING THE FISHERIES,
VICE-PRESIDENT OF THE HIGHLAND SOCIETY,
AT EDINBURGH,

THE FOLLOWING
COLLECTION OF GAELIC POEMS

ARE RESPECTFULLY INSCRIBED,
BY HIS LORDSHIP'S MUCH OBLIGED
AND MOST OBEDIENT HUMBLE SERVANT,
DUNCAN M^CINTYRE.

DUNCAN M^CINTYRE, Author of the following Poems, was born in Glenorchy, Argyleshire, in the year 1724. The only amusement of his youth was fowling and fishing. He was for some time in the army: Afterwards a Forrester to the Right Honourable the Earl of Breadalbane, in Coire-Cheathaich and Beinn-Dourain; and thereafter to his Grace the Duke of Argyle, in Buachill-Eite. He was likewise, for a considerable time, in the City-guard of Edinburgh.—He began to compose Songs in the twenty-third year of his age.—Though he has received no education, nor been assisted by any person, yet the following Songs, &c. are wholly of his own composition.

Oran Jain Faochag. Le D. Macan-faoir.

JAIN FAOCHAG ann an Saffenn,
Smor a mhafladh is a mhicliu :
Chaill e na bhaige do chairdean,
'S tha naimhdean air cinntinn lion'or,
Ge b' fhada theich e air astar,
Chaidh a ghlaca, 's tha e ciosnaicht,
Cháirich iad e fo na glaffan,
'S tha niuchair taisgt aig maor a phríofuin.

Tha e nise' 'n aite cumhann
'Se na chruban dubhach deurach
A chas daingeann ann an iarunn
Ga phianadh is e na eiginn ;
Dafadh dha bhi ann san fhia'rus
Na 'n iargain a tha na chreubhaig,
S' e 'n sin o cheann cór as bliadhna,
A h uile la ag iarraidh réite.

Ach na'm faidhe' tusa reit'e,
An eirig na rinn thu sheanachas,
Baobhar misnich do gach beist é
Gu'm feudadh iad fein do leanmhuinn ;
Fear gun feadh gun laodh gun reasan,
Sann san eacoir a tha tearbla,
Theann thu mach o achd na cleire,
'S thug thu moid nach eisd thu Searmain,

Thug thu di-meas air air an Eaglais,
Air a Chreidimh 's air na fainndean
Chuir thu breugan air an Trionaid,
'S air na h iartasan a dh'ág iad ;
Tha e nis na ghnothach cofail,
A reir an t shoisgeil tha mi cláifinn
Gun a chuir thu cul ri fochair,
Na saorfaínn a choisinn air Slanuigh'ear.

Chuir thu cúl ri'd mhoidean-baisde,
'S mor a massa' dhuit an aicheadh,
Chaill thu chuir am biodh an ceartas
Raoimich thu 'm peacadh na háite

Ghleidh thu 'n riaghailt sa'n feol stiuraidh,
 A bh'aig Judas do dhearbhbhrathair,
 'S mor an sgainnil air do dhuthaich,
 Thusa bhruit gu'n d'rinn thu fás innt.

Ach ga do Sheallta huile doire
 Cha raibh coille riamh gun chríonach,
 'S tha fios aig an t saoghal uile
 Nach bi choill uile cho díreach :
 S' tusa chraobh tha'n diaigh seachda,
 Gun chairt, gun mheangain, gun mheuran
 Gun, snochach, gun bhri gun doilleach,
 Gun rúsg, gun urad nam freumhan.

'S tu 'n teun a chaidh san deachamh,
 'S e'n nead creacht' an deacha t' fhagail,
 'S tu 'm fítheach nach d' rinn an ceartas,
 A chaidh air theachdaireachd o'n airce :
 'S tu 'm madadh-alluidh gun fhiacian
 'S maing a dhiarradh bhi mar tha thu,
 'S tu 'n Ceann-cinnidh aig na biastan,
 As tha gach duin a 's fhiach a tair ort.

Cha 'n iòghnadh leam thu bhi'd bhalaoch
 Is bhi falach ann ad nádar
 O'n a lean thu ris an duthchas
 A bh' aig na sgiurfaean o'n d' thain thu
 'S tu an tisean a fhuair an túmaidh
 Ris an t siurfaich air na fráidean,
 Si 'n droch-bheirt a thog ad chbinn thu,
 Sann ad shlaightire chaidh t árach

Thoisich thu 'n toiseach gu hiosal,
 Air a chrine 's air a bhoichduinn,
 'Sé 'n donas a thug dhuit bhi spórfail,
 'Sann bu choir dhuit bhi gad choifneadh :
 'S ole nach d' fhan thu aig do dhú'chas,
 Ad bhriu'air a bruich nam poitean,
 A cumail dibhe ris gach Grudair
 Nuair a dhruitheadh iad na botail.

Bha thu greis ad thim ad Bhaigeir,
 'S laidh thu 'n fhad sin air na cairdean,
 A bhi' oidhch ann sgach tigh as duthaich,
 A dhuraigeadh cuid an trath dhuit;
 Mhead fa bha do dh' ainmheach orfa,
 Chuir thu cuid nam bochd ga phaidheadh
 Ciod é nis' a chuir an floc thu,
 Ach an robaireachd fa mheirleadh.

Shaoil thu ga'm faitheadh tu achain
 Bu mhaisteach ga'm biodh i'd thairgfe,
 Cead fuidhe 'in Parlamaid Bhreatain,
 Gun chiall gun cheartas ad teanachinn;
 Duine dall a chaidh air seachran,
 Nach eil beactail air na s'fhearr dha,
 Le comhradh, tubanteach a' gabh
 'S le fìor dhroch thuiteamas cearbach.

Duine gun fhearann gun oighreachd,
 Gun ni gun staoile gun airgid,
 Gun bheus gun chreideamh gun chreideas,
 Gun ghin a chreidis a sheanachas;
 Duine misgeach bristeach breugach,
 Burri tha na bheisd sna ainmhidh,
 'S trioblaid inntin air itheadh deiseach,
 Gu tric a teumadh a chroidhe chealgaich.

Tha thu sonraicht ann ad chonan,
 A togail conais a miosg dhaoine.
 Cha chualas roimhe do choimeas,
 A bhi dhonas air an t saoghal,
 Ach an Naitheir an Gara-Edain,
 A mheall Eubh aig bun na craoibh
 A chombairlich gu buain a mhios i
 A dh' fhag ris an Cinnea'-daoine.

Thoisich thu 'n toiseach san eucair,
 Ag innseadh bhreugan air Ri-Deorfa,
 Cha chreid duine uait an sgeul ad,
 'Scha d' thoir iad eisteachd ad cho'radh;

Ghleidh thu 'n riaghailt fa'n feol stiuraidh,

 Thusa bhruit gu'n d'rinn thu fás innt.

 'S tha fios aig an t saoghal uile
 Nach bi choill uile cho díreach :

 Gun chairt, gun mheangan, gun mheturan

 Gun rúfg, gun urad nam freumhan.

 Bu mhaisteach ga'm biodh i'd thairgse,
 Cead fuidhe 'in Parlamaid Bhreatain,
 Gun chiall gun cheartas ad teanaclinn;
 Duine dall a chaidh air seachran,
 Nach eil beachdail air na s'fhearr dha,
 Le combradh, tubaisteach tuisteach,
 'S le fìor dhroch thuiteamas cearbach.

Duine gun fhearann gun oighreachd,
 Gun mì gun staoile gun airgid,
 Gun bheus gun chreideamh gun chreideas,
 Gun ghin a chreidis a sheanachas;
 Duine misgeach bristeach breugach,
 Burri tha na bheisd sna ainmhidh,

Thoisich thu 'n toiseach san 'eucair,
 Ag innseadh bhreugan air Ri'-Deorsa,
 Cha chreid duine uait an sgeul sd,
 'Scha d' thoir iad eisdteachd ad cho'radh;

'S beag a dhruitheas do dhroch dhruachd,
 Air oighr' a chruin is na córach,
 Sa liuthaí neach a tha gu toileach,
 A toirt onorach ga mhorachd.

Ga beag ortsa Moroir Loudin,
 Baithne dharmhsa 'n fonn o'n dh'fhas é,
 Duin-nafal foistneach fonn'ar,
 Criodh cónnar, aigneadh arda,
 Seanailear air thus na harmailt,
 A bha ainneil ann sna blarribh,
 Cha mhid é madadh air bhaitheal
 A bhi tabhunnaich an trás'ris.

'S górach a labhair thu moran
 Air cúl Jarlo Bhoid an tarmunn,
 Co'ball onorach le firing,
 A seasamh na rioghachd gu laidir,
 'S e gu hard urramach prifeil,
 Ann an cuirt an Rìogh sna Banriogh'n,
 Adhaindeoin na Faochaig 's na 'm biasdan,
 Leis am b' fhiach dol ann am pairt ris.

Bhrusthin thu gu leir mu Albainn,
 'S b' fhearr dhuit gu 'm fanadh tu samhach,
 Na 'n d' tigeadh tu choir na 'n garbh chrìoebh
 Bu mhairg a bhiodh ann ad aite,
 Bhiodh tu 'm prìosan re do lathan,
 Dh' aindeoin na ghabhadh do phairtse,
 'S an eiric na rinn thu dhroch-bheirt,
 Bheirte chroich mar ghalair bais duit.

Cha 'n ioghnadh dhuit bhi fo mhulad,
 Fhuair thu diom gach duin an ál fo,
 Se fin fhein a bha thu coisneadh,
 'S creutair crofd thu o'n dh' fhas thu,
 'Slionar mìn-run ann ad chuideachd,
 Mallachd na Cuigse sa Pháp ort;
 Mallachd an tsaoghail gu leir ort,
 Smo mhallachd fhein marri' each ort.

ORAN I.

*Oran do bhlár na b Euglais brice *.*

I.

L'A dhuinn air mach thir Alba,
Na bha dh'armailt aig a chuigse,
Thachair iad oirne na reabail
'S bu neo'-aobhain leoinn a chuideachd;
'Nuair a chuir iad an ratreud oirn,
'Siad 'nar diaigh a los ar murta,
'S mur deanamaid feum le'r casan,
Cha d'thug sinne frad le'r musgan,

* 'Se fo ceud oran an ughdair.

II.

'S a dol an coinneamh a Phrionnfa,
 Gu'm bu fhunntach a bha sinne,
 Shaoil finn gu'm faigheamaid cáis deth,
 'S nach ro dhuin, ach dol g'a shireadh;
 Nuair a bhuail iad air a cheile,
 'S ard a leumamaid a tilleadh,
 'S ghabh finn amach air an abhuin,
 'S dol g'ar n amhaich ann san linne.

III.

'Nam do dhaoineibh dol nan eideadh,
 Los na reabalaich a thilleadh,
 Cha do shaoil finn, gus na gheil finn,
 Gur finn fhein a bhi'dhte 'g iomain;
 Mar gu'n rachadh cú ri caoiribh,
 'S iad 'nan ruith air aodann glinne,
 'S ann mar sin a ghabh iad sgaoileadh
 Air an taobh air an ro sinne.

IV.

Sin' 'nuair thanig cach 'fa dhearbh iad
 Gu'm bu shearbh dhuinn dol' nan cuideachd;
 Se'n troup Gallta g'an ro chall sin,
 Bha Collin gun cheann air cuid dhibh
 Nuair a thachair ribh clann Domhnuil,
 Chum iad comhail air an uchdan,
 D'hfhag iad creachd'an air an reubadh
 Scha leiseadh leidh a n'cuiseadh.

V.

Bha na heich gu crúitheach, frianach,
 Girteach, iallach, fiamhach, troupach,
 'S bha na fir gu harmach, foghluint',
 Air an sonrachadh gu murta.
 'Nuair a dhaom sinn bhar 'ntfleibh,
 Is moran feum aguin air furtachd
 Na bha beo bha cuid dhiubh leoint
 'S bha sinn bronach mun a thuit ann.

VI.

Dh'eirich fuathas ann san ruaig dhuinn,
 'Nuair a ghluais an sluagh le leathad
 Bha Prionns' Tearlach le chuid Francach,
 'S iad ann geall air teachd 'nar rathad.
 Cha d' fhuair sinn focal command'
 A dh'iaruidh ar naimhdean a sgathadh;
 Ach comas sgaoilidh feadh an tsaoghail,
 'S cuid aguin gun fhaotain fhathasd.

VII.

Sin 'nuair thainig mise dhathigh,
 Dh' ionnsuidh Ghileaspic o'n Chrannuich,
 'Sann a bha é 'n sin co'-fhiata,
 Ri broc-lia a bhiodh ann garuidh;
 Bha é duilich ann san ám sin,
 Nach ro ball aige r'a tharruing,
 'S mor an diú'ail na bha dhí air
 Cloidheamh sinnfireachd a shean athar.

VIII.

Morain iarruing air bheug faobhair,
 Gu'm b'e sud eagus a chloidheamh,
 'Se gu lubach, leumnach, bearnach,
 'S bha car cam ann, ann fan amhuich,
 Dh'fhag é mo chruachanfa bruite
 Bhi 'ga ghiulan feadh an rathaid,
 'Sé cho trom ri cabar fearna,
 'S mairg a dh'fhairdeadh an ro rath air.

IX.

'Nuair a chruinich iad nan ciadan
 'N lá sin air sliabh na h eaglais,
 Bha ratreud air luchd na Beurla
 'S ann doibh fein a b' eigin teicheadh;
 Ged' a chaill mi ann fan ám sin
 Cloidheamh ceannart ehloin an Leasdair;
 Cloidheamh bearnach a mhi-fhortain,
 'Sann bu choslach é ri greidlein.

X.

Am ball teirmeasg a bha meirgeach,
 Nach d'rinn feirbhis a bha dleufnach;
 'S beag an diú'ail leam r'a chunnta
 Ged' a dh iontraich mi mu fheasgar:
 An cloidheamh duth nach d'fhuaire a sgúradh
 'S neul an t fuigh air a le'taobh,
 'S beug a b'fhiugh e 's e air lubadh,
 'S gum b'e diuthadh a bhuill deis é.

XI.

An cloidheamh braoisgeach, bh'aig na daoine
 Nach d'rinn caonag 's nach d'thug buillean,
 Cha ro eugas air an t faoghal,
 'S maig a fhaoruich leis an cumeasg;
 An cloidheamh duth air an ro'n taimhleas
 Gun chrìos, gun chrambait, gun duille,
 Gun ruinn, gun fhaobhar, gun cheanbheart,
 'S maig a tharladh leis an cunthart.

XII.

Thug mi lium an cloidheamh bearnach,
 'S b'ole an an asuig e fa' chabhaig,
 Bhi ga ghiulan ar mo fhliafuid;
 'S maig mi riamh a thug o'n bhail é,
 Cha toir é stobadh na fathadh,
 'S cha ro é laidir gu gearradh
 Gu'm b'e diuthadh a bhuill airm é,
 'Se air meirgeadh air an fharadh.

XIII.

Chruinnich uaislean Earraghaidheal,
 Armait laidir do mhillis, [lach,
 'S chuidh iad mu choinnimh Phrionns' Tear-
 'S duil aca r'a champ a bhristeadh;

Tha mala ghruamach do'n bhiolar uaine,
 M'an h uile fuaran a' th' ann fan fhonn;
 Is doire shealbhag aig bun nan garbh-chlach,
 'San grinneal gain'úich' gu meanbh-gheal pronn;
 'N a ghlugan plumbach air ghoil gun aon teas,
 Ach coilich búirn tighin a grund eas lom,
 Gach struthan uasal 'na chuailean cúl-ghorm,
 A' ruidh 'na spúta, 's na kúba steoll.

IX.

Tha braddan tara-ghéal sa choire gharalaich,
 Tha tigh'n o'n fhairge bu ghaileach tonn,
 Le luinneis mheamnach a' ceapa' mhean'-chuileag,
 Gu neo chearbach le cham-ghob crom :
 Air bhuinne borb, as é leum gu foirmeil,
 'Na éididh colgail bu ghorm-glas druim,
 Le fhoislean airgid, gu h iteach mean'-bhreac,
 Gu lannach, dearg-bhallach, earr-ghéal fliom.

X.

'S é coir'-a-cheathaich an t aithir príseil,
 'S an t áite rioghail mu'm bidht' a' scalg,
 Is bi' feidh air ghiulan le lamhach fúdair,
 A' cur luaidhe dhá'-ghorm gu dlú' nan calg :
 An gunna gleusda, s' an cuilean ea-trom,
 Gu fuileach, feumanach, treubhach, garg,
 A ruidh gu sibhlach, a' gearradh shurdag,
 'S a dol g'a dhúlan re curfan dearg.

XI.

Gheibhte daonnan mu d' ghlacaibh faoine,
 Na h aighean maola ; na laoigh, 's na mainng,
 Sud bu mhiann leinn am maidain ghrianaich,
 Bhi dol g' an iarraidh, 's a' fiadhach bheann,
 Ge do thigeadh fianntain oirnn' uifg' is díle,
 Bha feol g'ar didnein mu'n chrích san ám,
 An creagan iosal am bun na frídhe,
 An leaba dhiona', 's mi m' shíneadh ann.

XII.

Sa' mhadain chiuin-ghil, ann am dhamh dúsgadh,
 Aig bun na stúice be' n' sugra' leam ;
 A' chearc le sgiucan a' gabhail túchain,
 'S an coileach cúirteil a' dúrdail crom.
 An dreathan fúrdeil, 's a riobhaid ehiuil aige,
 A' cur nan smúid deth gu lúthar binn,
 An druid 's am brú-dhearg, le moran únaich,
 Ri ceilear sunndach bu shiubhlach rann.

XIII.

Bha eoin an t fleibhe 'n an ealtain ghle ghloin,
 A' gabhail bheufan air ghéig fa' choill,
 An uiseag cheutach, 's a luinneag fein aice,
 Feadan speiseil gu reidh a feinn :
 A chuag 's smeórach am bár an ógain,
 A gabhail órain gu ceolmhor binn :
 'Nuair ghoir an cuanal gu loinneil guanach,
 'S é 's gloin' a chualas am fuaime fa' ghleann.

XIV.

'Nuair thig iad cómhla' na bheil a' d' choirse
 Do na h uile seórta bu chóir bhí ann ;
 Damh na cróice air frath na móintich,
 'S é gabhail crónain le dreocam ard-
 A' dol san fheathai' gu bras le h aoibhneas,
 A' mire-leumnaich re eildeig dhuinn,
 B'i sin an ribhinn a dh'fhás gu míleanta,

XV.

Tha mhaoisleach chul-bhui air feadh na dufluing,
 Aig bun nam fiuran 'g an rufga' lom,
 'S am boc gu h útluidh re leaba chúirteil,

 Le chuinnean fiadhta, a's fiadhaich ceann,
 'Na chodal guamach ann lagán uaigneach,
 Fuidh bhár na luachrach 'na chuartaig chruinn.

XVI.

Is lionmhar cruasachd a bha m'an cuairt duit,
 Ri ám am buanadh bu luaineach clann ;
 Ri tional guamach, gu fearail, fuairce,
 'S a' roinn gu h uafal na fhuair iad ann :
 Ceir-bheach 'na cnuacaibh, 's an nead 'na
 chuairtaig,
 'S a mhill 'ga buannachd air cruaidh an tuim,
 Aig feillein riadhcha, breaca, frianach,
 Le 'n cronan cianail a's fiadhta frann.

XVII.

Bha cus r'a fhaotain do chnomhan caoine,
 'S cha b' iad na caochagan ea-trom gann
 Ach bagailt, mhaola, bu taine plaoisg,
 A' toirt brigh a laoghan na mao-shlait fann.
 Srath nan caochan 'na dhofaibh caórain,
 'Sna phreasaibh caola, lán chraobh is mheang,
 Na gallain úra, 's na faillein dhlútha,
 'S am barrach duinte mu chúl nan crann.

XVIII.

Gach áite timchíol 'n am fáfach iom-lan
 Mám is fion-ghleann, 's an tuilm 'ga choir;
 Meall-tionail láimh ris, gu mollach, tláthail
 B'é chulaidh dh'árach an álaich oig,
 Na daimh 's na h eildean am madain cheitein.
 Gu moch ag eirigh air reidhleín feoir,

 Mu 'n choire gharalaich, 'g an ainm an Ceo.

ORAN VII.

Cumbadh Choire-cheathaich.

Air fonn, The Flowers of Edinburgh.

I.

'S Duilich leam an caradh
 Th' air coire gorm an fháfaich,
 Ann raibh mi greis am arach
 'S an bhraidhe fo thall;
 'S iomadh fear a bharr orm,
 A thaitneadh e r'a nádur,

Na 'm biodh é mar a bha é,
 'Nuair dh' fhág mi e nall;
 Gunnaireachd is lamhach
 Spurt is adhbhar ghaire,
 Chleachd bhí aig na h ármuinn
 A b'abhaísd bhí sa' ghleann,
 Rinn na fir ud fhágail,
 'S mac coghain tanna drásta,
 Mar chlach an ionnad cápaig.
 An aite na bh' ann.

II.

Tha 'n coir' air dol am fáilín,
 Ged' ithear thun a bhlair e,
 Gun duin aig am bheil cás deth
 Mun ait' ann fan ám;
 Na feidh a bh' ann air fhagáil,
 Cha d' fhuirich gin air arruinn,
 'Scha 'neil an aite támha
 Mar bha e sa ghleann.
 Tha 'm Baran air a sharuch'
 'S dhartluich air an taladh,
 Gun sgil aig air an nadar
 Ged' thainic e ann.
 B' fhear dha bhí mar b' abhaist,
 Osciann an t foigheich chátha,
 'Sa lamhan a bhí lán di,
 Ga fásadh gu teann.

III.

Se múgha' air an t faoghal
 An coire laoghach gaolach,
 A dhol anois air faoin-traigh,
 'S am maor a theachd ann :
 'S gur h é bu chleachdain riamh dha,
 Bhi trufa nan cearc biata,
 Gur tric a rinn iad fiathnail,
 Le pianadh do lámh,
 Is iad' na 'm baidnibh riabhach,
 Mu d' amhaich 's ann ad sgiathan,
 Bhiodh iotaillich is sgiabail
 Mu d' fhiacalan san ám,
 Bu ghiobach thu re riaghailt,
 Mu chidfin tighe 'n iarla,
 Gar nach b'e do mhiann
 Bhi cuir bhian air an staing.

IV.

Ged' tha thu 'nois fa' bhraighe,
 Cha chompanach le cách thu,
 'S tha h uile duine táir ort
 O'n thainig thu ann ;
 'S eigin duit am fágail
 Na 's measa na mar thainic,
 Cha taitinn thu re 'n nádur,
 Le cnamhan 's le cainnt ;
 Gad fhaiceadh tu ghreidh uallach,
 'Nuair rachadh tu mun-cuairt doibh,

Cha dean thu ach am fuadachadh,
 Suas feadh nam beann.
 Leis a ghunnadh nach raibh buaghar,
 'Sa mheirg air a toll cluaife,
 Cha 'n eirmis i na cruachan,
 An cuaille dubh cam.

V.

Se 'n coire chuaidh an deis-laimh,
 O'n tha e nois' gun fheidh ann,
 Gun duin aig am bheil speis diu,
 Ni feum air an cúl,
 On tha iad gun fhear ghlédhte,
 Cha n' fhuirich iad ri chéile ;
 'S ann a ghabh iad an ra-treata
 Seach rédhlean nan lúb.
 Cha 'n 'eil prís an ruadh-bhuic,
 An coille na air fuaran,
 Nach b' eigin da bhi gluafad
 Le ruaig feadh na duth'ch':
 'S cha' n' eil a nois' mun-cuairt da,
 Aon spúrt a dheanadh fuairceas,
 Na thaitneadh re duin-uafal
 Ged' fhuasgladh e chú.

VI.

Tha choille bh' ann san fhrí ud,
 Na cuislin fada díreach
 Air tuitim is air crionadh
 Sios as an rúsg ;

Na prifein a bha bríoghar
 Na dofaibh tiugha lionmhur,
 Air feachda' mar gu'n spiont' iad
 A nios as an úir :
 Na failleinin bu bhoidhcheadh,
 Na slatan is na hógáin,
 'San t áit' am biodh an smeórach
 Gu módhar a fein ciúil,
 Tha iad uil' air coachladh,
 Cha d' fhuirich fíodh na fraoch ann;
 Tha mullach bhar gach craoibhe,
 'S am maor 'ga thoirt diú.

VII.

Tha uisge frath na díge,
 Na shruthladh dúbh gun siola',
 Le barraig uaine liogh-ghlais
 Gu mi-bhlafda grannd;
 Fear-lochain is táchair
 An cinn an duilliag bháite,
 Cha 'n 'eil gne tuille fás
 An fan ait' ud fan ám;
 Glumagan á cháthair,
 Na ghluuibh domhain, fámhach,
 Co tiugh re súdhan cáthadh,
 Na láthaich 's na phlám;
 Bean bhurn fálach ruodhain
 Cha ghloine ghrunnd na uachdar,
 Gur coslach re muir ruaidh e,
 Na ruaimle feadh stanng.

VIII.

Tha 'n t ait an raibh na fuarain
 Air fàs na chròite cruaidhe,
 Gun sòbhrach, gun dail-chuach,
 Gun lus uafal air carn;
 An sliadh an raibh na h éildean,
 An aite laidhe 's eiridh
 Cho' lom re caufar féille,
 'S am fear chinn e gann;
 Chuir Alastair le gheisgeil,
 A ghreidh ud as a cheile,
 'S thur leam gur mòr an éu-coir
 An eadail a chall;
 Cha lughadh 'n t adhbhar mío-thlachd,
 Am fear a chleachd bhi tiorail,
 A' tearnadh is a direadh
 Re frí nan damh seang.

IX.

Ach ma's duine do shliochd Pháruic,
 A theid a nois' do'n áite,
 'S gu 'n cuir e as a láraich
 An tách'ran a tha 'nn;
 Bidh 'n coire mar a bha e,
 Bidh laoi gh is aidhein dár ann,
 Bidh daimh a dol fan dámhair,
 Air fasach nam beann;
 Bi' buic sna baddan blátha,
 Na bric fan abhuinn laimh riu,

Sna feidh an frath na láir'ge
 Ag árach na mang,
 Thig gach uile ní g'a ábhait,
 Le aidheir is le ábhachd,
 'Nuair gheibh am Baran bairlin,
 Sud fhágail gun taing.

IOIN CHAIMBEUL a' bhanca,

Le d' chroidhe sial, fearail,
A thug barrachd air cách,
Ann iomadaidh cas
A thuilleadh nan slógh.
Fhuair thu meas, nach 'eil bichiont,
A measg Bhreatonach :

 Gu farasta fóil :
 Air dhiollait nan cúrfan
 Bu dubailte freun,
 'S tu bhuidhneadh gach réis,
 A shiubhladh an ród.
 Na h' eich bhearrcafach chalma,

III.

B'e do roghainn a dh'armachd,
 An targait chruinn úr,
 Gu meanbh-bhallach dlú,
 Bui tairgneach cruaidh feolt :

 Gu daingean a'd dhórn.
 Marri dag ullamh ghrad,
 A bhiodh a snap freasdalach,

 Ach bhi 'mach freagarach :

'Sa ghlean am bheil na frìgheachan,
'S na giomanaich 'n am bun.

VI.

O'n a thainig mi do'n fhearann fo,

Aig bráigh doire-chró,
Far am bi' na lán-daimh,
A ni 'n damhair ann fa cheo.

VII.

Be do mhiann na 'h airm ghaifge,

 Coilibhar caol snaithte,
 Nach do dhiult a snap aingeal duit,
 Lann thana, gheur, stailin,
 Chruaidh, laidir gu gearradh,
 Deigh spionna do laimhe,
 Bhiodh do namhad 'fa gearanach.

VI.

Ann an lá blár champin,
 'Nuair bhuail an tacaíd an seanalair,
 Chuaidh a lot ann san áraich,
 'S dh'fhág each a call foladh é,
 Thug thu mach e air ghiulan,
 'Sin an turn nach raibh aithreach dhuit,
 'N ám fuithe na cuirte,
 'S gach aon chuís be do charaid é.

VII.

'S é la Phealan-houfain
 A rinn an diuthail gu 'h ath-ghaoraid,
 'Nuair a thuit an commandair,
 A' b' aird' air na fearuibh 'ud,
 Air a phicaid a bha thu,
 Osciunn chách fhuair thu barantas,
 Ann an onoir na rioghachd,
 'S an righ fhad 's bu mhairthean thu.

VIII.

Ge do theireadh luchd fáoineachd,

 'Nan sealladh iad díreach,
 'S gu'm bi 'n fhirin a chanadh iad ;
 'S mór ar call le Rìgh Deorfa,
 O'n a thoisich a charraid fo.

 Thain' an luaithe na deannuimh air,
 Far nach fhaiceadh é naimhdean,
 'S craobhan arda 'gam folach air ;
 Thuit misneach na páirti
 A bha 'n la' sin ann caradh dhuit,
 Bha 'n taic air am fágail,
 'Nuair a bha thu gun anail ac'.

X.

'Nuair a thainig a gháfaid,

 Bu mhuladach, cráiteach,
 Do bhrathair, 's do phearuichean ;
 Do chleamhnun gu 'h áraid,
 'S do chairdean a bharrachd orr' ;
 'S bu mhor an cin-fáth air,
 'S 'nu bha air an aire-sin.

XI.

Bha thu maith ann ám fìochaint,
 Gu sìobhalta, farasta,

 'S gu'm bu ghrinn gach nì chanadh tu;
 Mar bu dual duit ód fhìns' reachd,
 Thaobh gach linn a chaidh tharud diu,

 'S bhì bláth an ám caruinis.

XII.

Bu tu maighifdir na tuatha,
 'S an deagh uachdaran fearruin,
 Ann ám paighe dhuit cìsean,
 Cha bhiodh dìth air do theanandan;
 'Stu nach sealladh gu míothur
 Air an nì thoirt a dh'ain-deoin uap',
 'Se bu mhianach led' inntin,
 Iad a chinntin mar raineach dhuit.

XIII.

Bu tu croidhe na feile,
 Ceann na ceil' is a cheanaltuis,
 Bu mhaith labhairt is leirfin,
 'Nám dhuit fein bhì measg aithnichin,
 Sár phoiteir an fhiona,
 Lamh dhioladh nan galan thu,
 Marcach sunntach eich cheumnaich,
 Bhuihneadh réis ann an cabhaig thu.

XIV.

'S an deireadh an' t samhraidh,
 Thug do naimhdean an àire dhuit,
 'Nuair a fhuair iad o'n champ thu,
 Air command a mhór challa dhuin,
 'S adhbhar mulad as campuir,
 Do gach aon duine dhearadh ort,
 Bhi cluinntin do bheufan,
 'S gun tu fhein a bhi mairtheán ac'.

Cumha' Chailein Glinn-iuthair

I.

SMAOINTEAN truagh a th'air m' aigne,
 Dh' fhág orm smuaisean, is airfneul,
 Ann ám gluafad am leabidh,
 Cha chadal ach dúisg,
 Tha mo ghruaighean air seachda',
 Gun dion uair air mo rosguibh,
 Mu'n sgeul a chualas o'n Appuin,
 A ghluais a chaismeachd 'ud duin',

Fear Glinn-iuthair a dhí oirn',
 Le puthar luchd mio-rúin,
 Mo sgeul duthach r'a innseadh
 Thu bhi 'd shíne' san úir,
 'S truagh gach duine do 'd dhúlsean,
 O'n a chuaith do chorp príseil,
 Ann ciste chuthainn, chaoil, dionaich,
 'S ann an lín-anart úr.

II.

B'e fin an corp áluin,
 'Nuair bha thu roimhe fo 'd shlainte,
 Gun chion cumachd, no fás ort,
 Gu foinnimh, daicheil, deus, úr,
 Suairce, foisfinneach, fáilteach,
 Uafal, iorafal, baidheil,
 Caoineil, cineadail, cairdeil,
 Gun chron r'a gh'rait air a chúl,
 Lán do ghliocas, 's do leirsin,
 Gu dana, miosnachail, treubhach,
 Gach ait' an fírte gu feum thu,
 'S ann leat a dh'eireadh gach cúis;
 B'e do choimeas an dreagan,
 Na 'n t seothag 'sna speuran,
 Co bu choslach r'a cheile
 Ach iad fein agus tu?

III.

'S cruaidh an teacair a thainic,
 'S truagh mar thachair an drásta,

Nach do sheachuim thu 'n t áite,
 'N do ghlac am bás thu air thús;
 Suas o chachuile gháruidh,
 Fhuair thu 'n tacaíd a chráith mi,
 'S gun do thaic a bhí laimh riut,
 'Nuair ghabh iad fáth ort o'd chúl,
 Air do thaobh 's thu gun chomhradh,
 San ám 'n do chaochail an deo uait,
 D' úil chraobhach, dhearg, bhoidheach,
 A gabhail dorta 'na brúichd,
 Le gníomh an amadain ghóraich,
 A bha gun aithne gun colas,
 A chreic anam air stóras,
 Nach do chuir ann trócair a dhúil.

IV.

B'e 'n croidhe gun tioma, gun deisein,
 Gun ádh, gun chineas, gun cheatamh,
 A chuir lámh a'd mhille gun reasan,
 Le cion ceil' agus túir,
 'Se ghlác mar chomhairl' an eucóir,
 'S boc an gnothach mar dh'eirich,
 Dh'fhág é sinne fuídh euslain,
 Is e fein 'na fhear cúirn,
 'S ge nach sámhach a leaba,
 Le eagal a ghlacadh,
 Cha 'ne tha mi 'g acain,
 Ach mar a thachair do'n chúis,
 An t armun deus, tlachdmhor,
 A tha 'n dráft' ann Ardchátain,

An deis a cháramh an-tasguidh,
Ann áite codail nach dúisg.

V.

'Se do chadal gu sioruidh,
A dh'fhág m' aigne cho tiomhaidh ;
'S tric fmaointeana diomhain,
A tigh'n gu dian orm as úr,
'S trom a dh'fhás orm an iargain,
As goirte tárfa na 'm fiadhrus,
Mo chomh-alt áluin, deus, ciatfach,
An deis a reubadh gu dlú' ;
Mile molachd do'n laimh sin,
A ghabh cothrum is fáth ort,
A thug an comas do'n lamhach,
'Nuair chuir e 'n Spáinteach r'a shúil,
Sgeula foilleir a b' áil leam,
Gu'n cluinnt' am follais aig cách,
E bhi dol ri crommaig le fáradh,
Gus am miosa dha-fa na dhuinn.

VI.

Ge b'e neach a rinn plót ort,
Le droch dhúrachd o thoiseach,
Bu dana chúis dha tigh'n ort-fa,
Na do lota as úr ;
Bha 'na rún bhi gu h olc dhuit,
'S gun a chroidh' aig aodan a nochdadh,
'S ann a thain' é fámhach mu'n chnocan,
'S a ghabh ort focair o'd chúl.

'S é mo dhiúthail a thachair,
 Ann ám do'n fhúdar 'ud lasadh,
 Nach raibh 'ad chairdean ann taic riut,
 Na bheireadh aicheamhail diú';
 'Sa liuthad fiuran deus, tlachdmhor,
 Nach gabhadh cúram ro' bhagra,
 A chuireadh smúid ris an Appuin,
 A chion gu'm faiccadh iad thu.

VII.

'S trom a pháigh sinn an iobairt,
 A chuir ar namhaid a dhí oirnn,
 Ged' tha 'n aich'mhail gun díoladh,
 Thig fhathafd líondan mu'n chúis,
 Chuireas cách ann staid íofail,
 Airson an aileagain phríofail,
 Bh' ann fan áite mar fhírean,
 A chleachd firinn is cliu :
 'S boc an nuaidheachd r'a aircamh,
 Gur ann an nasguidh a tha thu,
 Nach d'thainic fhathafd mu'n chás 'ud,
 Na dheanadh ábhachd thoirt duinn,
 Ach air fhad 's gam bi' dail ann
 Comh cheart 's tha mi 'g raite,
 Fídh an fhalachd 'ud paighte,
 Mun d' theid an gamhlas air chúl.

VIII.

'S iad na fineachan laidir,
 A mhaith a ghabhail do pháirti,

Ann Rìgh, is Diuc Earaghaidheal,
 Nach fhaiceadh fáilinn ad' chúis,
 Iarla dligheach Bhraidealban,
 Air thús a tighinn gun chearbuich,
 'S gur ioma' fear armach,
 A sheas'adh caima r'a chúl;
 Mac Caoi 's a luchd leanmhuin,
 Leis an eireadh fuinn nach bu leanbuidh,
 Na laoiach buidhneach, mhór, mheamnach,
 Le'n lanna ceann-bheartach, cúil;
 Mac Dhom'uil duith, 's cloinn Chamroin,
 'S gu leoir a thighearnan ainmeal;
 'S fhad o'n chuala' finn feachas,
 Gu'n do dhearbhadh iad an cliú.

IX.

'S ghabh thu áite le órdugh,
 Air páirt do Shrath-lochay,
 'S cha b' ann air ghaol stórais,
 'Na los am pórfan thoirt diú';
 Ach a sheufamh an córach,
 Le meud do cheisd air an t seors' ud,
 'S an oidhre dleasnach air fogra,
 G'am bu choir bhi sa' chúirt:
 'S ge do theireadh luchd fáoineachd,
 Gu'n raibh 'd aire-fa daonan,
 Bhi sgainneart nan daoine ud,
 Na 'n leigeadh sgaoilteach air chúl,
 Chíte fhathasd a chaochladh,
 Num fuighe tu saoghal,

Gur é bhi tarruing luchd gaoil ort,
As gach taobh, a bha 'd rún.

X.

Bu tu croidhe na feile,
Dh' fhás gu tighearnail, ceut'ach,
Ann lathair britheamh Dhuineidin,
'S tric a reitich thu cúis ;
'S oil leam caramh do cheud-mhna,
'S óg a banntrach ad' dheidh i,
Lion campar gu leir i,
O'n a dheug a ceile deus, úr ;
Fhuair mi 'n sealladh nach b' aibhin,
An uaigh mud' choinnimh 'ga reitich,
'S truagh gach comman thug speis dhuit,
O'n chuaidh tu fein ann san úir,
'S gun dúil a nois' ri thu dh'eiridh,
'Se dh'fhág mise fuidh eu-flain,

'S nach d' thig thu dh'eisdeachd mo sgiúil.

ORAN XVI.

Marbh-rann coilich.

I.

AN euala sibh an t fealg,
A bha ainmeal air feadh nam bailtean;
Rinneadh i fan an-moch,
'S cha b' fhear dhuinn i bhi fa mhaduin;
O'n a' bha i cearbach
Le dearbhadh, 'nuair chuaidh i feachad,
Cumaidh sinn am foirm,
Gu'n raibh'n dorch ann, 's nach fheudta faicinn.
'S olc an obair oidhche,
Le coinnlean, ged' theid an lasadh,
Gunnaireachd dhaoin óga;
'S i ghóraich a thug amach iad.

II.

Chual iad fa h uil' aite,
Am breamas a rinn Páraic,
'Nuair a dh'innis é do chách é,
Gu'n d' thainig an croman-lachdan,
Bheireadh' é na bóidean
Gur mór é, 'fa bhroileach glas air,
Is gu'n do luidh é direach
Air círeín mulaich na h aitreabh.

Mur cumadh a' chomhl' é,
 Gu'm biodh na h eoin air an sgapadh;
 Nach mór a bhiodh beo dhiubh,
 Gu'n leon mu'n d' thigeadh a' mhadain.

III.

Sin 'nuair ghlac an sealgair,
 An gunna bh' air an ealchain,
 'S chuir é luaith gharbh innte,
 Dairearach do'n acfuin Shas'naich:
 Chum é fúd-r'a fhealbhan,
 'S gu'm b' fhear gu'n rachadh i feachad,
 'S ann a rinn é marbhadh,
 A b' ainmic a leithid fhaicinn.
 'Nuair a las am fúdar,
 'S é 'n dúil gu'n dianadh é thapadh,
 'Se coileach an dúnain,
 A bha 'n a chrúban fa chlappail.

IV.

B'é fin an coileach boidheach,
 Bha cuid air fiamh an óir dheth,
 Cuid eile mar na rósan;
 'S bha móran deth mar an sneachda.
 Bu leathan a chrógan,
 B'é 'n smógairneach é air faithche,
 Bu ro-mhaith na bótan,
 An rómaich' a bh' air a chofan;
 Bha spuir air a spógan,
 Bha córr a dh'ionnsuidh a' ghleachdaidh,

'Nuair a thigeadh Di-máirt,
A bhíodh cách a' feuchain an gaisge.

V.

B'é fin an coileach ceutach,
Bha colfach ris a' pheacaig,
'S an uair a chuaidh a reubadh,
B' é 'n déisean leam bhi 'ga fhaicinn,
Cha leighifeadh leigh é,
'Sa chreuchdan a' dol am braisead,
'Tonnán g'a fhuil chrao'aich,
A taomachadh as a chraicean.
An t fealg a rinn na daoine,
Gun faoireachadh fad' air astar,
Gun uchdach a dhíreadh,
Ach eidir a ghriófach 's an stairfneach.

VI.

'S an dithifd thug am bínne,
'S a dh' fhág é fin 'na shíneadh,
B' é 'm breitheamh rinn a dhítheadh
'S b'é 'n gíomanach rinn a leagadh,
'S cha 'n fhágadh iad shíos é,
Nam fuigheadh é firinn is ceartas:
Cha d'rinn é riamh ea-coir,
'S deadh bheufan aige mar fhasan.
Theannadh é re eigheach,
Gu h eifeachdach 's sinn 'nar codal,
Is dhúisgeadh é gu leir sinn,
'S gu'n eircamaid ann sa mhadain.

VII.

Chuaidh litir a Shrath-eirion,
 A dh' ionnsuidh nion Sheumais,
 A dh' innseadh ceart an sgeula,
 Do'n té dhiubh air am bheil Sefi.
 Gu bheil sinn fuidh champar,
 O'n ám an d' thainig an sneachda,
 Mu'n choileach a chaill sinn,
 A's gann a dh' fheudar a sheachnadh,
 O's té nach 'eil teann i,
 'S nach ganndar a rinn i chleachdadh,
 Gu'n dean i ruinn fábhör,
 O's ámhaisf rud a bhi aice.

VIII.

Beannachd aig an righbhinn,
 A bha gu suairce siobhailt,
 Nach do leig air di-chuimhn',
 An sgriobha sin a chuir dha-thigh;
 Chuir i gill 'an tír so,
 Le sioltaiche do na cearcan,
 'S ghiulain é gu riomhach,
 A ghibht phríosail ud na achlais.
 Tha dreach an fhir a dh' fhág sinn,
 A fás air an fhear a th' againn,
 'S o'n tha e na áite,
 Saoilidh cách gur h é mhac é.

O'n a tha mi gun searrach, gun lair,
Gun chaora, gun oisg, gun ghabhar, gun mhi-

Gun a mart mín a chraoimeas am blár,

IV.

Cha raibh mi gun airgiod gus an d' fhalbh e
go mi-mh'ail,

Leis an te chrion nach do sheal air mo chás,
Rinn i mo chreachadh 's bu pheacach an ní dhi',
Mis 'a chuir fios, gun i fein chuir a naird.

V.

Ciomar a cheanuicheas mi camruig na síde,
Na 'n leig mi dhìom é tuille gu bráth;
Ged' thig a marfant le phachda do'n tír,
Cha 'n fhaigh sinn aon síon bhios aige air dáil.

VI.

Bha mho chuid stórais am phoca co-uallach,
'S ged' a bhiodh buaile mhart air mo sgáth,
'Si rinn an eu-coir a bheifd a thug uam é,
'S tha mi fu' ghruaim 'o mhaduin Di-máirt.

 Le minneinean óga:

 Ge do thig Caoilte 's Cuchullin,

 Na ghlacadh r'a beo i;

 Air chaisead na leachdainn
 Cha saltradh i cómhnard,

'Si noigeanach, groigeafach,

 'S eathlamh bheir i cuairt
 'Nuair thachaireadh i'n ruaig
 'Sa bhíodh tóir orra.
 'S mao-bhuidh daitht' a fhuagh,

 'S a' leumnaich feadh móintich ;

 'S é síothlagh roimh 'n ghaineamh ;
 'S é 's milse na 'n caineal,
 Cha b' ain-eolach oirn' é.

 Far am biodh greidh dhearg,

 'Nan dorlaichean.

 A baraille Nic-Cóiseam.
 B'ionmhuinn le fir cheanalta,

 Gu'm freagradh iad mac-thalla dhuit,
 Le suaime na gairme gallanaich
 Aig farum a' choin rómaich :

 Gu linnichean nach grunnaich iad,
 'S ann a bhítheas iad feadh na tuinne
 Ann san luineimich 's iad leointe,

 Is chluinneadh mo chluas an fhuaim a bhitheadh
 Aig luathas mo chroidhe ri 'm-thaobh.

IV.

 A dhrúith air mo chuilean, a chuir luchd air mo
 Leis an do thuit mi ge b'oil leam 's gu'n d'aom,

 Do m' smaointean górach, próis nam boireannaich,

 Gu déirceach, daonntach, faoilidh, farrafd',
 Ri daoine fanna, boc', truagh ;

 Nan cuireadh i cúl rium 's diulta' baileach,
 Bu chúis damh anart as uaigh.

 Dh'fhag lan mi mhulad sa ghruaim
 Nuair thuig i mar bha fa thár mi nulaidh

Hem o, &c.*

*Bha cuid dhith air dhath na carnaid,
'S cuid eile mar bhár na bealuidh;
Hem o, &c.*

'S ann bu chofail ris an t síde

Ann s a h uile taobh g'a falluing;

Hem o, &c.

Cuiridh iad i air na cláduibh,

Air fhuairid 's g'am biodh an t earrach:

Hem o, &c.

Dh' fhoghnadh i dhamh fad an t samhruidh

'S tric tha mi 'g amharc an áit
'N raibh i bláth, 's i call a fola :

Hem o, &c.

'S ann san fhraoch aig taóhh Uillt-ghartain,
Rinn i 'n codal as nach d' fhairich :

Hem o, &c.

'S diomach mi do'n ghile-mhártuinn,
Bha-cho'-dána 's dol 'na caruibh.

Hem o, &c.

Feuduidh na h eunlain bhi róichdeil
Ag itheadh a feóla 's a faille :

Hem o, &c.

Cha 'n 'eil eun a laidh air fulach,
Nach raibh umad ann an cabhaig.

Hem o, &c.

Am fear ruadh a chuir gu bás i
Thug é páirt dhith hun na garuidh.

Hem o, &c.

'Nuair a ránuig mis' an ár-fhaich,
Cha raibh láthair dhìot ach faileas;

Hem o, &c.

Bha na cnaimhean air an lomadh,
Is bha 'n olann air a pealladh.

Hem o, &c.

O'n a chaill mi 'nois mo chaora,
'S cofail a m' aodach bhi tana:

Hem o, &c.

'S innfidh mi na bhios air m' aire;

Hem o, &c.

Gheibh mi tlám a chlóimh nan caorach,
O'na tha mi dh' aodach falamh:

Hem o, &c.

Gheibh mi rúsg an Tigh-nà-fróine
O'n mhnaoi chóir a bha fan Arrar.

Hem o, &c.

An Gleann-ceitilein an fheoir
Gheibh mi na rúisg mhóra, gheala.

Hem o, &c.

Gheibh mi lán na slige-chreachuinn
O nion-Dónuil ghlais an drama;

Hem o, &c.

Dh' fheuchainn an crath é dhiom an smallan.

Hem o, &c.

Their gach té tha 'n Druim-a-chóthuis,

Hem o, &c.

'Nuair a theid mi dh' Iner-chárnain,
Cha leig aon té th' ann mi falamh.

Hem o, &c.

'Nuair theid mi 'n bhail' tha láimh ris,
Gheibh mi tláman ann 's gach talla.

Hem o, &c.

Cha'n 'eil té tha 'n Daile-'n-easa
Nach d' theid mi 'm freasdal a-ceanail.

Hem o, &c.

Thig mi dhathigh leis na gheibh mi,
'S tomad deth co-mhór ri gearran :

Hem o, &c.

Foghnuidh fúid damh cór as bliadhna
Chumail sniamh ri nian a' bharain ;

Hem o, &c.

'S 'nuair a theid é fuidh na spáluibh,
Ni i fábhór rium a bhain-fhítheach.

Hem o, &c.

'S ioma' té ni aodach guamach
Ach cha luaidh i é gun chearthar.

Hem o, &c.

Th' uile gruagach tha 'n Gleann-éite
Dh' fheumainns' iad a thigh'n do'n bhaile;

Hem o, &c.

'S 'nuair a chuireas mi air feól iad,
'S ann a theid an cló' a theannadh;

Hem o, &c.

'Nuair a theannas iad re fúchdadh,
Cha bhi túchadh air an anail;

Hem o, &c.

'Nuair a shuidheas iad air cléidh,
Gu'n cluinnt' an eughach thar na beannuibh;

Hem o, &c.

'Nuair a sheinneas iad na h órain,
Cuiridh iad na h eoin an crannuibh;

Hem o, &c.

'Nuair a theannas iad ri luinneag,
'S binn' iad na guileag na h eala;

Hem o, &c.

'S mór is binne fuaim nan níonag
Na ceól píob air thús a' phannail;

Hem o, &c.

Bithidh a túrn an láimh gach té dhiubh,
'S bithidh a beul a' feinn na h ealaidh;

Hem o, &c.

Té ri búrn, as té ri móinidh,
Té a' cur feól air an ainneal,

Hem o, &c.

Té ga phostadh ann an túbadh
Té 'ga luidreadh, té 'ga ghlanadh,

Hem o, &c.

Dithis 'ga fhlachdadh gu láidir,
Dithis 'ga fhásfadh gu gramail,

Hem o, &c.

Ach mu'n cuir iad as an láí' é
'S cinnteach mi gu'm fás é daingeann;

Hem o, &c.

Hem o, &c.

Mur d' thig e 'm ionnsuidh an táileir,
'S nár dha é 's gu'n d' thug sinn bean da.

Hem o, &c.

'S ann an sin a theid mo chómhach'
Leis a' chlóimh a rinn mi thional.

Hem o, &c.

Gur mise tha gu duthach
Ri cumha do 'n chaora chean-fhionn,

'S beag an t ionghnadh dhamh bhi duilich
Mulad a bhi orm as faran ;

Hem o, &c.

'Nuair a shuidheas mi air tulaich,

Nach raibh h eug'as ann san fhearan :

Hem o, &c.

Bha i riathach, 's bha i lachdunn,
Bha i cais-fhionn, 's bha i cean-fhionn ;

Hem o, &c.

Bha i croidh-fhionn, 's bha i bótach ;
Bha geal mór air bár a breamaig.

Hem o, &c.

'Nuair theid mi shealltuinn nan caorach,
Iundraichidh mi chaora chean-fhionn ;

Hem o, &c.

'S misde mi gu'n d'rinn i m' fhágail,
'S b'fheairde mi i 'm fad 's a dh'fhan i;

Hem o, &c.

Cha do leig i riamh an fháiling'
Ann am árdach, fhad 's a mhair i;

Hem o, &c.

'Nuair a rachuinn chum na h áiridh,
Chuireadh i na tráighean tharum,

Hem o, &c.

'S ro-mhaith thogadh i na páisdean,
Bhiodh iad fáthach 'nuair bu mhaith leam.

Hem o, &c.

'S mise bha air bheagan saothreach
'M fad 's a bha mo chaora mairtheann;

Hem o, &c.

O'na tháinig ceann a faoghail,
'S eigin damh bhi daor fa' cheannachd.

Hem o, &c.

Gu'm bu flán do'n cháta' chaorach
As an d' tháin' a' chaora cheann-fhionn;

Hem o, &c.

'S an té o'n d'fhuair mi i 'n toiseach,
'S ro-mhaith chofainn i mo bheannachd.

Hem o, &c.

Beannachd leis an rud a dh'fhalbhas;
Cha 'ne 's fhearr dhuinn ach na dh'fhanas;

Hem o, &c.

'S fhearr bhi criodhail leis na dh'fhuirgheas,
Na bhi tuirfeach mu na chailleas.

Hem o, &c.

RANN IX.

Rann Uistean.

TURRAS a chuaidh mi air astar a Chinntaile,
Chunna mi daoine Uailse tlachdmhor, caoineil
pairteach,
Bha aon Bhallach ann air Bainis, a thug dhamh
tamailt,
O na bha eisean mar sin damhsa, bi mise mar so
dháfan.

Sann an fin a thoisich Uistean,
Mar a ni cu'n droch naduir,
Taumhannaich ri sluadh na Duthcha,
'S bé run gu'n gearra' é 'n failtean;
'Smath a'n Companach don chu é,
'Sdona 'n companach le cach é,
Cho chuideachd é Bhard no Phiobair,
Aig a mhiomhalachd fa dha's é.

Aidich fhein nach 'eil thu 'd phiobair,
'Sleig dhiot bhi 'm barail gur Bard thu,
Daoine eriodheil iad le cheile,
'S bithidh iad gu leir a tair ort,

Fear ciuil gun bhinneas gun ghrinneas,
 Fuadaichi' fínn as air pairt e',
 Mar a thilgeas iad craobh chrionaich,
 O 'n Ffhionain a mach as a 'Gharradh.

Mu chí thufa Bard na Fillí,
 No fear dana,
 Mu bhios aon diubh giarruidh Gille',
 Ghiulan mailaid,
 Lean an duine sin le duthrachd,
 Los gu'n siu'lá tu huil aite,
 Smor a'nglanadh air do dhuthaich,
 I chuir cul riut 's thu ga fagail.

Na ma chi thu fear a sheinneas,
 Piob no clarsach,
 Feauidh tufa 'n tinneal ciuil',
 A Ghiulan dasan,
 Gus ambi craiceann do dhroma',
 Fas na bhallaibh lomma bana,
 Mar a chi thu mille' Srathrach,
 Air gearran a bhios ri aiteach.

Cia mar a dheana' é oran,
 Gun eolas gun tuigse Naduir,
 O nach deana' é air doidh é,
 Bu chora dha fuireach samhach,
 Bruidhinn ghluggach 's cuid di mabbach,
 Moran staddich ann am pairt di,

Na ni e phlabbartich chomhradh,
Cho bheo na thuigear a Ghaelic.

'Sgimmeleir cheanna na'm bord thu,
Far am fuaidh thu 'ntol gun pháidh,
Cia mar chunntas sinn na geocaich,
Mar bi Uistean óg san aireamh,
Cha rabh do bhru riamh aig fíothcha,
Gus an liona tu bhiadh chaich i,
Smor an tolg na chaisge tiotadh,
Nuair a chit thu sdo ghloc paiteach.

'Stric do leab an lagg an ostraich,
Na'n eul garraidh,
Bi do cheann air conntom comhnart,
'Sro mhath 'ntait é,
Bithi' na coin a giomlich teosaig,
A toirt diot a bheoil fa chairean,
Do chraos dreammach toirt phog fallach,
A'd dhearra bhraithrean.

Na'n cluinne' sibh muc a rucail,
Geoidh is tunnagan a racail,
Sann mar sin a bha piob Uistean,
Bronach muladach a ranaich,
Muineal gun 'Aolmann air tucha,
'Nribheid cho nfheud bhi laidir,
'Se call daonnan air a chulaibh,
Na gaoth bu choir dol fa mhaladh.

Bha lurga coin airson gaoir,
 A'd chraos fairfin,
 'Sculai' sin a thogail Plaigh,
 Sa 'n cnai' air malca,
 Rinn é tanail fallach brein,
 Mu theid neach fo'n Ghrein an taic riut,
 'Sfhearr bhi eidir thu fa ghaoth,
 Na feasamh air tao' an asga'.

Cia mar a ni Uistean óg dhuibh,
 Ceol gu dannsa,
 Nuair a chithe tu fruth ronn,
 On huile toll a bh' air an tsiunnfair,
 'Sgeul tha fìor a dhinnseas mise,
 Gur he dh'ag e nois cho manntach,
 Gun dtug iad dheth leis an tìofar,
 Bar na teanga.

'Seidi' Uistean Piob an rongain,
